WARRANTIES

MANUFACTURER WARRANTY

3 Years/ 60,000 miles comprehensive warranty.

Any defect that is attributable to a manufacturing or an assembly defect under normal use is covered by your warranty. This provision applies for a period of 3 years or 60,000 miles, whichever comes first, with no mileage limit for the first year. In the event of a breakdown immobilising your Lexus, the cost of recovering it to the nearest Lexus Centre is also covered if that breakdown is the result of a warrantable defect.

GET UP TO 10 YEARS/100,000 MILES LEXUS WARRANTY*

Every new Lexus comes with a 3 year manufacturer warranty followed by a 12 months / 10,000 miles additional warranty, with every qualifying service. *[Terms and conditions apply](#). For full details, please ask your official Lexus Centre, or visit lexus.co.uk/lexus-warranty.

HYBRID VEHICLE WARRANTY

5 Years / 60,000 miles hybrid component warranty.

For hybrid models, certain components within the hybrid drivetrain system have a 5 years or 60,000 miles warranty, whichever comes first. For more information please contact your local Lexus Centre.

3 YEARS SURFACE RUST AND PAINTWORK WARRANTY

This warranty offers three years of cover for surface rust and paint defects appearing on any of the painted body panels due to a fault in material or workmanship. There is no mileage restriction on this.

12 YEARS CORROSION PERFORMANCE WARRANTY

A 12-year unlimited mileage warranty covers the vehicle against rust perforation through any sheet metal body panel (subject to certain exclusions specified in the warranty booklet) occurring as a result of a manufacturing or assembly defect in the vehicle. The warranty booklet supplied with each new vehicle gives full details. This warranty is also transferable to subsequent owners.

Onward travel

- If a replacement vehicle is unavailable and you would like to make your own travel arrangements following a breakdown, we will reimburse the cost of this up to £150 per person, to a maximum of £500.

European travel

- If you travel across Europe your Roadside Assistance will travel with you, whether you are driving your Lexus or another car.

Medical assistance

- If the driver of the car is certified ill, we will take you and your passengers to any single destination in the UK.

Lost or broken keys

- If you lose or break your keys, Lexus Roadside Assistance will arrange for recovery of your vehicle to a local Lexus Centre. You will be responsible, however, for the cost of replacement keys.

HYBRID BATTERY WARRANTY COVER AND HYBRID HEALTH CHECK (HHC)

A Hybrid Health Check is included in all services for hybrid vehicles, where a technician will test the entire hybrid system and provide a written report.

With each Hybrid Health Check, the customer will receive an extra 1 year or 10,000 mile (whichever comes sooner) hybrid battery warranty extension, until the vehicle is 15 years old.

An annual Hybrid Health Check is free of charge as part of any Lexus Service. If a service isn't due for a while, a standalone Hybrid Health Check is available for just 59 to offer peace of mind.

ELECTRIC BATTERY WARRANTY COVER AND BATTERY HEALTH CHECK

Lexus has over 20 years of experience with advanced batteries due to our use of Lexus Self-Charging Hybrid technology, and all of this knowledge has been used to develop the large capacity Lithium-ion (Li-ion) battery in the UX 300e.

This experience alongside careful monitoring and battery management also gives us confidence to offer a standard 8-years/ 100,000 mile warranty (whichever comes first) on the battery. This is extendable to 10 years (or 600,000 miles, whichever comes first) with the Battery Health Check included in each service at your Lexus centre.

SERVICE PLANS

Service plans are a flexible way of managing the cost of servicing your Lexus. With a service plan you can ensure that your vehicle is maintained to the standards you would expect from Lexus-trained technicians fitting the highest quality Lexus parts**. The Approved Pre-Owned service package can be tailored to your needs. Please contact your local Lexus Centre for a quote.

QUOTED MPG FIGURES

Figures are provided for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results. Fuel consumption and CO₂ produced varies significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load.

All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). All mpg and CO₂ figures quoted are full WLTP figures. For more information on WLTP and specific vehicle types see [<https://www.lexus.co.uk/wltp>].

More information on WLTP in general can be found by visiting: www.vehicle-certification-agency.gov.uk/fcb/wltp.asp.
