WEIGHTS (kg)

| | |
|---------------------------|---------------------------|
| Gross vehicle | 1755 (1820) |
| Kerb weight (min. - max.) | 1280 - 1350 (1365 - 1415) |

CAPACITIES

| | |
|--|-----------------------|
| Luggage volume - rear seats upright ³ (l) | 332 / 330 (255 / 253) |
| Luggage volume - rear seats folded ³ (l) | 994 / 992 |
| Fuel tank capacity (l) | 36 |
| Towing capacity max. unbraked ⁴ (kg) | 650 |
| Towing capacity max. braked ⁴ (kg) | 750 |

¹ Combined engine and electric motor(s).

² The fuel consumption and CO₂ values are measured in a controlled environment on a representative production model, in accordance with the requirements of the new WLTP European Regulation EC 2017/1151 and its applicable amendments. For each individual vehicle configuration, the final fuel consumption and CO₂ values may be calculated based on the ordered optional equipment. The fuel consumption and CO₂ values of your vehicle may vary from those measured or calculated values, as driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, tyre pressure, load, number of passengers, etc.) have an influence on a car's fuel consumption and CO₂ emissions. For more information regarding the new WLTP test method, please visit: www.lexus.eu/wltp#nedc

³ Luggage volume figures are as per the VDA method. All figures quoted include the maximum under floor storage area in the luggage compartment. The luggage room capacity differs by specification. The first figure shown is for models equipped with 6-speaker audio system, the second figure with 13-speaker Mark Levinson® audio system. The AWD model's figures apply for all models in markets where spare tyres are equipped.

⁴ Towing capacity does not include tow-bar or other towing equipment as standard.

DISCOVER MORE ONLINE

Find out more about the LBX and even reserve your car online. Take time to explore which equipment grade best suits your lifestyle, learn about our world-class service and finance offerings and sign up to our regular newsletter. If you're interested in how the LBX feels to drive, you can also book a test drive online with your local Lexus Retailer.

© 2025 Lexus UK reserves the right to alter any details of specifications and equipment without notice. Details of specifications and equipment are also subject to change to suit local conditions and requirements. Please enquire at your local Lexus Authorised Retailer of any such changes that might be required for your area.

Note: vehicles pictured and specifications detailed in this brochure may vary from models and equipment available in your area. Vehicle body colour may differ from those shown in this brochure.

For further information please visit our website: www.lexus.co.uk

Taking care of the environment is a priority for Lexus. We take many measures to ensure that during the life cycles of our vehicles – from design, production, distribution, sales and service to end-of-life – their environmental impact is minimised. Your retailer will be happy to provide more information on end-of-life vehicle requirements.
